

Privacy Policy

At Secur-it Integrated Services Ltd, your privacy is important and we are committed to protecting your personal data.

As used in this Privacy Policy, the term “personal data” means data such as your name, mailing address, e-mail address, internet service provider, telephone number, or other personal information that may be supplied by you or collected about you according to applicable local legislation. We hope that this Privacy Policy helps you understand what kind of personal data, if any, we collect on this website and how we handle and use any such personal data after collection.

Applicability

By accessing and using this site, your use indicates your agreement with the terms of this Privacy Policy.

If you do not agree with this Privacy Policy, please do not use this website.

This Privacy Policy applies to this Secur-it Integrated Services Ltd general informational website. Note that special use terms, or site or page specific terms (referred to as “special terms”), may apply to certain pages/services on this site, but the applicability of any such special terms will be expressly indicated. In the event of any inconsistency between any special terms and this Privacy Policy, the applicable special terms will prevail over the terms of this Privacy Policy.

Anonymous Use

In general, most of this website’s pages are provided for informational purposes and you will be able to use this site without telling Secur-it Integrated Services Ltd who you are or providing Secur-it Integrated Services Ltd with any personal data about yourself. There are times, however, when in connection with your use of this site Secur-it Integrated Services Ltd may need information about you.

Personal Data Provided by You

To respond to your questions, fulfil your requests or manage interactive customer programs, it may be necessary to ask for or obtain personal data. If you provide us with any

personal data, we may use it to respond to your requests, customize your user experience with us, determine your satisfaction with Secur-it Integrated Services Ltd products or services or contact you via mail, e-mail, mobile message or phone, or, per local law, contact you via the aforementioned channels to inform you of new products, services or promotions we may offer. By providing information to Secur-it Integrated Services Ltd through this website, you acknowledge and consent to the collection, use and disclosure of personally identifying information of the type and for the limited purposes described in this Privacy Policy.

You expressly accept and give your consent that personal data provided by you and obtained in connection with your use of this site may be transferred, if permitted by applicable local legislation, across international borders to server locations supporting this site (including but not limited to transfers from those locations back to the country of your location) for operating and developing this website, including transfers to Secur-it Integrated Services Ltd subcontractors or agents, as mentioned below, who perform tasks related to this site, or Secur-it Integrated Services Ltd services, or for the purposes of storing the data in relevant databases, which may be located in the UK or in any other country where Secur-it Integrated Services Ltd has operations.

If you place an order for a product, request a service or submit content to this site, we may need to contact you for additional information required to process or fulfill your order or request. Unless compelled by applicable law or administrative or judicial order, we will not provide this information to a third party without your permission, except as necessary to process your order, fulfill your requests, manage interactive customer programs or, if you are a corporate user, enable administration of access and usage of this site by authorized personnel in your organization. If allowed by applicable local legislation, Secur-it Integrated Services Ltd may also exchange information between Secur-it Integrated Services Ltd's affiliated companies for the purposes mentioned in this Privacy Policy.

Because Secur-it Integrated Services Ltd is committed to protecting your privacy, Secur-it Integrated Services Ltd does not engage in the practice of selling or trading personal data to other companies for promotional purposes.

Security

Secur-it Integrated Services Ltd has endeavoured to take commercially reasonable measures to prevent unauthorised access to and improper use of your personal data submitted to Secur-it Integrated Services Ltd via your use of this site. While there are always risks associated with providing personal data, whether in person, by phone or via the internet or other technologies, and no system or technology is completely safe or "tamper"/"hacker" proof, Secur-it Integrated Services Ltd has endeavoured to take reasonable precautions which are appropriate to the nature of the information to prevent and minimise such risks in connection with your use of this website.

Accuracy of Collected Data

Secur-it Integrated Services Ltd will on its own initiative, or at your request, free of charge, replenish, rectify or erase any incomplete, inaccurate or outdated personal data retained by Secur-it Integrated Services Ltd in connection with the operation of this site. Please consult the Contact Us page on this site to determine how best to contact Secur-it Integrated Services Ltd to update or review your personal data or opt-out of receiving marketing communications from Secur-it Integrated Services Ltd.
